WORK EXPERIENCE

Finance/Accounting Intern

Columbus, OH

Chipotle Mexican Grill

Summer 2025

- My project involved building and presenting a model to Chipotle's corporate marketing and finance teams, which determined the net impact of Chipotle's delivery summer advertising campaign, using Power BI. The project emphasized the ability to demonstrate financial and data analysis, forecasting, and proficiency with Microsoft Excel.
- Utilized Excel and Oracle Cloud (ERP) to reconcile weekly payments and post journal entries for Chipotle's delivery partners, including DoorDash, Uber Eats, and Grubhub
- Resolved unmatched A/R transactions in the subledger, enhancing the accuracy of receivables reporting
- Improved efficiency in refund disputes within Excel, helping the digital accounting team improve P/L accuracy

Service Manager.

Moosic, PA

Chipotle Mexican Grill

May 2023-Present

- Responsibilities include running shifts as the manager on duty/food safety leader, sending updates on various restaurant statistics, overseeing labor, tracking critical inventory, ensuring food quality and safety, inspecting and placing food deliveries, maintaining front and back of house facilities and equipment, creating prep deployment tools based on sales projections, managing the POS and cash counts, task delegation, scheduling interviews, and providing an excellent guest experience.
